DEATHS OF FELLOWS

FARLEY, OLIN EVERETT: 140 East 54 Street, New York City; born in Lowell, Massachusetts, January 24, 1892; died in Harrison, New York, August 5, 1941; graduated in medicine from McGill University, Montreal, in 1915; elected a Fellow of the Academy April 5, 1934.

Dr. Farley was surgeon to the Manhattan Eye, Ear and Throat Hospital and consultant in ophthalmology to the Holy Name Hospital at Teaneck, New Jersey. He was a Fellow of the American Medical Association and a member of the County and State Medical Societies.

Fry, HENRY JACOB, Ph.D.: Westport, Connecticut; born in Lancaster County, Pennsylvania, May 2, 1892; died in Westport, Connecticut, August 17, 1941; received the degree of Doctor of Philosophy from Columbia University in 1925; elected an Associate Fellow of the Academy November 6, 1930.

Dr. Fry was professor of biology at the Washington Square College, New York

University, from 1930 to 1933, having been appointed as instructor in 1923. From 1931 to 1938, he was on the faculty of the New School for Medical Research.

JOACHIM, HENRY: 1111 Park Avenue, New York City, and 871 Park Place, Brooklyn, New York; born in Brooklyn, April 16, 1883; died in New York City, August 18, 1941; graduated in medicine from Cornell University Medical College in 1904; elected a Fellow of the Academy, November 2, 1922.

Dr. Joachim was associate physician on the staff of the Jewish Hospital, 1911-18; attending physician and clinical professor of medicine to the Long Island College Hospital, 1918-31; and head of the medical department at the Greenpoint Hospital, 1918-22. Since 1922, Dr. Joachim was chief of the medical staff of the Israel Zion Hospital and Beth Moses Hospital, and since 1933 he was medical director of the Cumberland Hospital and the Jewish Sanitarium and Hospital for Chronic Diseases. He was also consulting physician to the Sydenham Hospital.

Dr. Joachim was a diplomate of the American Board of Internal Medicine, a Fellow of the American College of Physicians, a Fellow of the American Medical Association and a member of the County and State Medical Societies. He was a for-
